

the trend is you

The Birth *of an Icon*

Centro Mall has been designed to become the iconic shopping destination, located at the heart district of Jnah, Beirut. Its aim is to hold the widest range, the trendiest and the most looked-for brands under one roof. **Centro Mall** propels the shopping understanding with its convenient circulation methods to unprecedented levels.

Centro Mall embraces a food court which is an architectural masterpiece, joining tasteful restaurants and regional chains. Cinemas, kids' area and shopping alleys are all planned ergonomically to be optimised in terms of accessibility and safety.

Landmark

Built on intersections, **Centro Mall** is only a few meters away from the Sports City and Jnah highways, making its access easy for the shoppers whether coming from the neighborhood or from other regions in Beirut and its suburbs. Add to that the high population density in its vicinity (reaching 20% of overall local population) and the fact of being a throw-stone away from various selective extravagant 5 star hotels, embassies and luxury apartments: **Centro Mall** is essentially Central.

Centro Mall

ideas

Mission

Satisfying all stakeholders and building relationships as well as earning their trust. **Centro Mall**'s aim is to guarantee rapport and confidence with its community.

An Extended *vision*

We aim to secure continuous investment for **Centro Mall** to remain a flagship; that is maintenance, innovation, novelties and latest technologies remain a major priority for **Centro Mall** to exist as a trendsetter in its field. Yearly targets and plans will be set forth and executed to ensure continuous progress. Marketing and promotional plans will be a focal concern for **Centro Mall** management in order to stand always as a frontrunner in the market.

Take a look Inside

Centro Mall premises offer the highest level of pure shopping and entertainment experience with restaurants, cafes and Cinema Halls and not to forget its supermarket, making **Centro Mall** ideal for all needs, demands and desires.

Needless to say that **Centro Mall** provides carefully planned parking spaces designed according to international standards in addition to a premium Valet service.

Unique
on every level

Ultimate Convenience

Spread over 3 levels of spacious shopping and leisure areas, **Centro Mall** offers uniqueness on every front.

Centro Mall's circulation has been designed according to the latest studies that assure the best display available for all businesses.

Ample parking spaces are spread over 4 levels and valet facilities are dedicated to ensure a high level of convenience.

Elevating *standards*

From its high tech interactive exterior façade to its ultra modern interior finishes as well as astonishing water and lighting features; every element has been carefully studied to offer a superior experience for anyone who enters **Centro Mall**.

Feast
your eyes

The Retail Experience

Designed to be a retail haven, **Centro Mall** provides a pleasurable hub for visitors to take a stroll down the wide shopping lane in search of their needs. With an extensive number of leading stores, clients will be offered the chance to attain their optimal choices. All stores are spread across a cheerful modern space with creatively designed interiors to make the shopping an unforgettable experience.

*A taste for
every mood*

*Food for
thought* 

Centro Mall has restaurants and cafés with a wide variety of cuisines, food outlets and services spread throughout the mall and the fast food lovers will be thrilled with **Centro Mall's** vast offers of food court, including the best international and local chains. We have more than 9 counters that feature a wide seating arrangement.

Indulge in **good taste**

Conveniently located at the center of the City, high-end restaurants and cafés are spread out along the pedestrian sidewalk in a beautifully designed walkway, making **Centro Mall**'s Food Alley an alternative dining destination for the country. Not only that, but the experience combines the typical European "Café Trottoir" atmosphere with traditional Lebanese flavors, thus bringing together the best of both realms.

Dimensions of entertainment

Fun House

Entertainment is a vital component of **Centro Mall**; it is the key to turning a venue from a beautiful experience to a whooping destination where families and friends enjoy every minute, while shopping, playing and learning. We can proudly say that **Centro Mall** is synonymous with entertainment. Cinemas, kids areas, water features and events are all part of **Centro Mall**.
